<p><b>Service Description</b></p> <p>Briarpatch Youth Services (BYS) is a non-profit organization serving youth and their families with over 50 years of experience. BYS provides comprehensive, trauma-informed, and youth-centered mental health services to individuals aged 12–24 experiencing homelessness, justice system involvement, family life disruptions, or other significant challenges. Through its implementation of the Comprehensive Community Services (CCS) program, BYS offers a range of psychosocial rehabilitation services tailored to the unique needs of each client. These services include:</p> <ul style="list-style-type: none"> <li>• Service Facilitation</li> <li>• Individual Skill Development and Enhancement</li> <li>• Individual and Family Psychoeducation</li> <li>• Psychotherapy and Trauma-Informed Interventions, pending staff credentials and availability</li> </ul> <p>BYS stands out for its ability to create a safe, non-institutional environment that fosters trust and rapport with clients. The program addresses the mental health, educational, and life skill needs of participants to promote stability and prevent chronic homelessness or further justice system involvement.</p> <p>BYS recognizes the critical role families play in the well-being and recovery of youth. Our services are designed to address the needs of not only the individual youth but also their families, fostering a holistic approach to care. We work collaboratively with families to strengthen communication, resolve conflicts, and build supportive environments that promote positive outcomes. Parent support services are an integral part of our program, offering education, resources, and coaching to help caregivers navigate challenges and better support their children. By empowering families, we aim to create lasting changes that improve the overall functioning and resilience of the entire family unit.</p> <p>Services are delivered in community-based settings, including the youth’s home, schools, and BYS facilities, ensuring accessibility and convenience. Services are provided during regular business hours, 9AM - 8PM Monday - Friday. Services are available on Saturdays depending the availability of staff and client needs. These efforts are grounded in BYS’s goal to empower youth through strength-based and culturally inclusive practices.</p>

This program, titled "Wings", is directed by Emilie Pinkovitz and functions as a collaborative effort by FLYY, Chrysalis, and Cascading Waters. Each organization has trained staff prepared for higher demand case loads and increased administrative time required for more frequent inter-organization team meetings. Our multidisciplinary team consists of professionals in psychiatry, therapy, peer support, care coordination, employment support, and skills coaching. To ensure the highest quality of care, we actively monitor program effectiveness using the First Episode Psychosis Services Fidelity Scale (FEPS-FS 1.0), allowing us to assess adherence to best practices and make data-driven improvements. We operate within a team-based model where multiple team members share caseloads, collaborate on treatment planning, and provide integrated care. Weekly team meetings ensure coordination, case reviews, and comprehensive care delivery. Services are participant-centered and can be provided in community settings, participants' homes or schools, or wherever individuals feel most comfortable. The program prioritizes shared decision-making and holistic care, incorporating family and social support into treatment whenever possible.</p>

<p><b>Service Description</b>          We provide culturally and linguistically responsive services to Southeast and East Asian clients. We provide nontraditional psychosocial rehabilitative services such as the use of a monk, soul caller, or shaman to perform spiritual ceremony to unite the body and soul. These nontraditional services help restore the client's functional capabilities and increase community living ability as well as the ability to carry out activities associated with daily living. Service facilitation activities that we ensure the member receives are: bilingual assessment services, service planning, service delivery and supportive activities. We also provide psychotherapy, psychoeducation, and peer support services to promote wellness and self-direction, including individual skill development and enhancement services for problem solving, decision-making, self- regulation, daily living skills related to personal care, household tasks, financial management, and connecting to community resources and services.</p>

<p><b>Service Description</b></p> <p>Office Based Services: Triquestrian provides traditional office-based psychotherapy for children age 6 and up, adolescents and adults. All of our services incorporate Natural Lifemanship principles to create opportunities for safe, connected relationships. Our skilled therapists work with a variety of mental health and substance use issues including but not limited to Anxiety, Depression, Bi-Polar Disorder, Eating Disorders, Substance Use Disorders, Borderline Personality Disorder, and Trauma. We tailor our services to meet the needs of each person we are working with utilizing CBT, DBT, Motivational Interviewing, Somatic Experiencing, EMDR, and a variety of other approaches. We also provide Individual Skill Development and Enhancement, Individual and/or Family Psychoeducation, Peer Support, Psychotherapy, Substance Abuse Treatment and Wellness Management and Recovery/Recovery Support Services. Triquestrian also provides Service Facilitation services helping connect individuals with resources in the community. Our Service Facilitators will work directly with the individual to identify goals and develop plans that fit their needs to reach their goals.</p> <p>Farm Based Services: Triquestrian also provides Psychotherapy and Skill Development incorporating horses. We focus on providing participants with opportunities for growth and learning through connection and relationship building with horses. We utilize Natural Lifemanship's Trauma Focused – Equine Assisted Psychotherapy (TF-EAP™). TF-EAP™ is based on the neuroscience of human and horse brain development, the impact of trauma, and the role of relationships in recovery and healing. It is principle based with a focus on assisting participants to create new neural pathways while learning regulation strategies in a trauma focused approach. TF-EAP™ Relationship Logic™ services focus on developing healthy relationship patterns by building a relationship with a horse focused on felt sense of safety, regulation, and connection for all. No riding is involved and no horse experience is required. Our TF-EAP™ Rhythmic Riding program focuses on helping participants deepen their sense of connection with themselves and their horse while experiencing somatosensory input through bottom-up regulation thereby creating and strengthening neural pathways.</p>
